28. FAIRFAX COUNTY HISTORY COMMISSION SPEAKERS BUREAU
(12:05 p.m.)

(BACs) Chairman Connolly said that in January the Board requested that the History Commission compile a list of knowledgeable speakers for many issues related to Fairfax County history. This reference was recently completed, and he presented Board Members with copies.

29. RETIREMENT OF MS. ANN ZUVEKAS (12:06 p.m.)

(BACs) Chairman Connolly said that for many years Ms. Ann Zuvekas was a dedicated member of both the Consolidated Community Funding Advisory Committee (CCFAC) and the Fairfax Area Disability Services Board (DSB). Her contributions to both of these organizations have been immeasurable. He said that Ms. Zuvekas will be retiring from service to both the CCFAC and the DSB at the end of her term.

Therefore, Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to invite Ms. Zuvekas to be presented with a resolution recognizing her outstanding work and contributions to the citizens of the County at the December 6, 2004, Board meeting. Without objection, it was so ordered.

There was a brief query to Merni Fitzgerald, Director, Office of Public Affairs, regarding the December 6, 2004, schedule.

30. IMPLICATIONS OF FAIRFAX COUNTY PUBLIC SCHOOLS ADMINISTRATIVE OFFICES CONSOLIDATION (12:07 p.m.)

Chairman Connolly said there have been news reports regarding the Fairfax County Public School's plan to consolidate its administrative offices in a new complex on Gatehouse Road in Merrifield. This morning's *Washington Post* story as well as the *Northern Virginia Journal*, notes that the Schools calculate that the move would save about \$5 million over the next 30 years. Copies of the Schools' press release "Fairfax County School Board to Vote on Consolidation of Offices" dated November 11, 2004, were distributed to the Board.

Noting that the Board needs more information on this issue, Chairman Connolly moved that the Board direct the County Executive to confer with the Department of Management and Budget and report with a comprehensive analysis that

includes the following:

- Whether the numbers being reported are accurate.
- The effect of such a consolidation against the County debt since the Schools plan to incur \$160 million worth of debt for two office buildings.
- Any budget implication for the financing and funding of the debt service.
- Since many of the administrative offices “leased” by the Schools now are also owned by the schools, how such a consolidation would yield savings.

Supervisor McConnell seconded the motion.

Following discussion, Supervisor Kauffman asked to amend the motion to include an analysis of the plan for the disposition of the current administrative buildings, and this was accepted.

Further discussion ensued, with input from Anthony H. Griffin, County Executive, who noted that the School Division expects action by the Board of Supervisors on this issue on December 6.

Following continued discussion, the question was called on the motion, as amended, which carried by unanimous vote.

31. **FLU VACCINATIONS** (12:17 p.m.)

Chairman Connolly distributed to the Board information relating to the County’s distribution of flu vaccine. He asked unanimous consent that the Board direct the Office of Public Affairs and Channel 16 to widely disseminate the information. The Health Department received a supply of flu vaccine and will begin to distribute it. The process requires telephone appointments (703-246-2411) because of the volume of demand.

Chairman Connolly asked unanimous consent that the Board direct staff to keep the Board informed as to any changes with respect to flu vaccine. Without objection, it was so ordered.

Supervisor Kauffman asked unanimous consent that the Board direct staff to examine what worked well for Montgomery County, Maryland and the challenges faced in Prince Georges County, Maryland regarding flu vaccine distribution. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

32. **REMOVAL OF THE FAIRLEE NUMBER 10 RESIDENTIAL PERMIT PARKING DISTRICT (RPPD) (PROVIDENCE DISTRICT)** (12:19 p.m.)

Supervisor Smyth stated that it is necessary to formally remove the Fairlee Number 10 RPPD. With the consolidation of the Fairlee neighborhood and the lack of homeowners in the area, there is no need for the RPPD in the former Fairlee neighborhood.

Accordingly, Supervisor Smyth asked unanimous consent that the Board direct staff to proceed with the removal of this RPPD. Without objection, it was so ordered.

(NOTE: Later in the meeting, the Board deferred decision on Out-of-Turn Plan Amendment S02-II-V2 for the Fairlee area. See Clerk's Summary Item CL#62.)

33. **RECLASSIFICATION OF STREAMS IN THE COUNTY** (12:19 p.m.)

(BACs) Supervisor Smyth asserted that the process of reclassifying streams in the County, from perennial or intermittent, is in need of a change. She stated that a number of her constituents asked her to propose a change to the Public Facilities Manual (PFM) to allow more transparency in the designation process. She distributed copies of suggested language modifications to the PFM (6-1704.4a).

Supervisor Smyth stated her belief that modifying the review process to include a Board review or a review by the Chesapeake Bay Preservation Ordinance Exception Review Committee (CBPOERC) would allow for public or staff input that might otherwise be lost in the current administrative-only review.

Accordingly, Supervisor Smyth moved that the Board direct the Director of the Department of Public Works and Environmental Services to:

- Review this request and begin the necessary process to change the PFM as it relates to the designation of streams as perennial or intermittent in the County.
- Notify the Board by December 6 of his recommendation on whether the review body should be the Board or the CBPOERC.

Supervisor Gross seconded the motion.

Following discussion, Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked to amend the motion to direct the County Attorney to review this issue in regard to the Board's legislative action in adopting the perennial stream map, and this was accepted.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

Further discussion ensued regarding the transition of intermittent to perennial streams, the need to involve the surrounding communities, and the need for staff to review all available options to address concerns.

Supervisor Gross asked unanimous consent that the Board direct staff to add this item to the agenda of the Board's Environmental Committee scheduled for December 6. Without objection, it was so ordered.

Following further discussion, the question was called on the motion, which carried by unanimous vote.

34. **VOLUNTEERFEST (PROVIDENCE DISTRICT)** (12:27 p.m.)

With reference to her written Board Matter on the subject, Supervisor Smyth reported that Volunteerfest was very successful in Providence District and she provided an overview. She expressed appreciation to everyone involved with the event.

35. **EXPEDITED PROCESSING AND FEE WAIVER FOR WESTMINSTER SCHOOL (MASON DISTRICT)** (12:28 p.m.)

Supervisor Gross stated that on January 22, 2001, the Board approved Special Exception Amendment Application SEA 84-M-121 for a building addition to the Westminster School in Mason District. During the review and approval of that application, it was not properly noted that a caretaker for the school resided in a dwelling on the school property. Although the dwelling unit was discussed in the review process, staff and counsel representing the applicant made an oversight in noting the use of the dwelling correctly on the plans and/or development conditions for the application. To correct this issue, the school will need to submit a new special exception amendment application.

Supervisor Gross said that the school was not responsible for this inadvertent oversight. It is a non-profit organization with limited means and expended a large sum of funds on the previous application.

Accordingly, Supervisor Gross moved that the Board direct staff to:

- Waive the filing fees for the additional special exception amendment application.
- Expedite the processing of this application.

Supervisor Gross noted that the applicant understands that this motion will not prejudice the consideration of this application in any way. Supervisor Kauffman seconded the motion.

Following input from David P. Bobzien, County Attorney, who noted that this action is permissible, the question was called on the motion, which carried by a vote of seven, Supervisor Hudgins, Supervisor Smyth, and Chairman Connolly being out of the room.

36. **FEE WAIVER FOR THE RECONSTRUCTION OF THE NEWTON EDWARDS AMPHITHEATRE AT MASON DISTRICT PARK** (12:29 p.m.)

Supervisor Gross said that at the last Board meeting, she announced that the Newton Edwards Amphitheatre in Mason District Park had burned to the ground. She now reported that its rebuilding is on track, and she expressed appreciation to the Board, County Executive, Park Authority, and staff for their support in expediting the project.

Supervisor Gross said that the Park Authority estimates that the plan review fee waivers for the amphitheatre, including such items as site review, building permits, and fire marshal inspection will total \$10,000. Accordingly, she moved that the Board waive the fees for the reconstruction of the Newton Edwards Amphitheatre at Mason District Park. Supervisor Bulova seconded the motion, which carried by a vote of seven, Supervisor Hudgins, Supervisor Smyth, and Chairman Connolly being out of the room.

37. **PROCLAMATION COMMEMORATING THE LIFE AND SERVICE OF THE LATE MS. SHARIFA EL KHATEEB** (12:30 p.m.)

(NOTE: Earlier in the meeting, the Board announced the death of Ms. Sharifa El Khateeb. See Clerk's Summary Item CL#1.)

Supervisor Gross noted that the Board lost an outstanding advocate for civil rights and multicultural understanding when Ms. Sharifa El Khateeb died in October of pancreatic cancer. She was a long time resident of the County and was an active advocate for cross-cultural and inter-cultural training in the public schools as well as on County boards, authorities, and commissions. Her outreach to both the Muslim and non-Muslim community included workshops, television shows, panel discussions, and in-service training. She also took a leadership role in getting Arabic as a Second Language accepted as a regular credit language in three County high schools.

Supervisor Gross noted that Ms. Khateeb's contributions to the County are numerous, and her advice and counsel will be missed. Therefore, Supervisor Gross asked unanimous consent that the Board direct staff to prepare a proclamation commemorating her life and service for presentation to her family at

an appropriate Board meeting or other community event. Without objection, it was so ordered.

38. **RECOGNITION OF THE GREAT FALLS FREEDOM MEMORIAL COMMITTEE (DRANESVILLE DISTRICT)** (12:31 p.m.)

Supervisor DuBois noted that on November 13 the citizens of Great Falls, the Freedom Memorial Committee, along with Chairman Connolly, County Executive Anthony H. Griffin, former Dranesville District Supervisor Stuart Mendelsohn, and other distinguished guests joined her in dedicating the Freedom Memorial on the grounds of the Great Falls Community Library. She described the work of the residents and staff to honor those who served the cause of liberty and freedom with this memorial.

Accordingly, Supervisor DuBois moved that the Board direct staff to invite the members of the Great Falls Freedom Memorial Committee and County staff to appear before the Board on December 6 to be recognized and thanked for their dedicated service to the citizens of Great Falls and the County. Supervisor McConnell seconded the motion, which carried by a vote of nine, Supervisor Smyth being out of the room.

39. **RECOGNITION OF OUTSTANDING SCHOOL NEWSPAPERS** (12:33 p.m.)

Supervisor Bulova announced that the following four County high schools were selected as 2004 National Scholastic Press Association Newspaper Pacemakers Finalists, a national competition for school newspapers:

- Annandale High School
- Hayfield Secondary School
- McLean High School
- Thomas Jefferson High School for Science and Technology

Supervisor Bulova described the criteria for the selection and asked unanimous consent that the Board recognize these school newspapers for their outstanding work by directing staff to convey a letter of congratulations to the students and staff. Without objection, it was so ordered.

40. **LAKE BRADDOCK SECONDARY SCHOOL TEACHER SELECTED AS 2005 VIRGINIA TEACHER OF THE YEAR** (12:34 p.m.)

Supervisor Bulova announced that Mr. Joseph Hills, a world studies teacher at Lake Braddock Secondary School, was selected as the recipient of the 2005

“Virginia Teacher of the Year Award.” Mr. Hills adds this award to a long list of accolades from a 44-year teaching career in the County. He won outstanding teacher awards from the University of Chicago and Smith College, and he won the *Washington Post* Agnes Meyer Outstanding Teacher Award.

Accordingly, Supervisor Bulova asked unanimous consent that the Board direct staff to invite Mr. Hills to appear before the Board to be presented with a certificate to thank him and recognize his outstanding achievements during his marvelous career with the County Schools. Without objection, it was so ordered.

41. **HAPPY ANNIVERSARY TO FAITH COMMUNITIES IN ACTION**
(12:35 p.m.)

Supervisor Bulova stated that on June 7, 1995, the late Pastor Thomas Casey of St. Mary of Sorrows Catholic Church in Fairfax hosted the first meeting of the then called “Braddock District Religious/Human Services Coalition.” At that time the County was struggling to recover from a serious recession. She said that the following spring the Board would be laboring over what came to be known as the “Doomsday Budget of Fiscal Year (FY) 1997” as the Board tried to close a projected budget deficit of \$121.5 million. The County’s human services agencies were trying to figure out how to adjust the State and Federal Welfare Reform policies while at the same time undergoing a major human services redesign. Sue Manzo, former director of the County’s Office of Family Services, was a speaker at this first meeting. Lord of Life Lutheran Church Pastor Ron Qualley led break-out discussions on concerns of the community.

Supervisor Bulova noted that often a silver lining results from difficult times, and the “Religious/Human Services Coalition” eventually became an effective Countywide partnership between County agencies, places of worship, and faith-based organizations called “Faith Communities in Action.” In FY 2001 a small County office was created to provide formal support for this partnership, which helped the County and the faith community to leverage limited resources and meet the needs of the community in a collaborative fashion.

Supervisor Bulova said that Faith Communities in Action has been out front throughout the past ten years finding ways to address major community challenges such as Welfare to Work, affordable housing, end of life issues, and tolerance for people of all races and religions. Recently Faith Communities in Action passed a resolution endorsing the creation of a County Multicultural Commission, and it stands ready to assist the County Executive and Board in the formation of this commission.

Supervisor Bulova noted that next year will mark the tenth anniversary of Faith Communities in Action. Accordingly, she asked unanimous consent that the Board direct staff to invite founding members and current leaders of Faith

Communities in Action to appear before the Board on January 10, 2005, to be thanked for their valuable work and congratulated on their tenth anniversary.

Following brief input from Merni Fitzgerald, Director, Office of Public Affairs, regarding scheduling, without objection, the request was so ordered.

42. **INTENT TO DEFER PUBLIC HEARINGS** (12:38 p.m.)

Supervisor Kauffman announced his intent to defer the following public hearings:

- Special Exception Application SE 2004-SP-013
- Proffered Condition Amendment Application PCA-C-448-31

Supervisor Hyland announced his intent to defer the public hearing on S01-CW-9CP.

(NOTE: Later in the meeting these public hearings were formally deferred. See Clerk's Summary Items CL#63 and CL#79.)

43. **OUT-OF-TURN PLAN AMENDMENT REGARDING THE REDEVELOPMENT OF THE COMMUNITY BUSINESS CENTER (LEE DISTRICT)** (12:39 p.m.)

Supervisor Kauffman said that in 2002, the Board approved a Comprehensive Plan amendment for the Springfield Revitalization District intended to facilitate the redevelopment of the Community Business Center.

Supervisor Kauffman noted that recently he learned that there is interest in constructing a multi-story, extended stay hotel in a key part of the Springfield core area. Such a use in this location may provide impetus for other projects to follow, but requires a plan amendment because of density.

Therefore, Supervisor Kauffman moved that the Board authorize an Out-of Turn Plan Amendment for Tax Map Number 80-4 ((1))10, located north of Old Keene Mill Road, between Backlick Road and Amherst Avenue, to consider the area for hotel use which may include approximately 165 rooms with support uses, community meeting space, and limited food service, and at an intensity up to 2.0 floor area ratio. This motion shall in no way prejudice the review of this plan amendment. Supervisor Hudgins seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

44. **EASTWOOD PROPERTIES, INCORPORATED (LEE DISTRICT)** (12:41 p.m.)

Supervisor Kauffman stated that the County's Property Management Department is in discussions with a prospective rezoning applicant in Lee District on a potential sale of the Board's property that would involve a rezoning. The small property is part of a potential assemblage generally located south of the Franconia-Springfield Parkway and west of Beulah Street. The motion involves this Board's authorization of the filing only of a rezoning application on a piece of property owned by the County. The property in question is referenced as Tax Map Number 91-1 ((1)) 20.

Therefore, Supervisor Kauffman moved that the Board authorize the filing of a rezoning application including Tax Map Number 91-1 ((1)) 20 as generally identified in the pending rezoning application filed in the name of Eastwood Properties, Incorporated. Approval of this motion shall in no way prejudice review of the case and in no way relieves the applicant from all ordinances and standards. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

45. **LEE DISTRICT ANNUAL MEETING** (12:42 p.m.)

Supervisor Kauffman expressed his appreciation to Chairman Connolly for attending the Lee District Annual meeting.

46. **CONDEMNATION FOR OLD CENTREVILLE ROAD (SULLY DISTRICT)** (12:43 p.m.)

Supervisor Frey said that last year, the Board approved Rezoning Application RZ 2002-SU-034 and Special Exception Application SE 2002-SU-039 to permit a Wendy's restaurant and a Midas Muffler shop on Old Centreville Road, between Routes 28 and 29. As part of that application, the applicant proffered to do off-site improvements to Old Centreville Road. During the review of the plans for those improvements, staff identified a potential safety hazard, the correction of which will require a small amount of roadwork beyond the scope of the plans and proffers. The applicant has agreed to complete the additional work provided that the right-of-way is provided by the property owner, Little Rocky Run Homeowners Association (HOA). The HOA has indicated that association bylaws would preclude them from a timely conveyance of the property; however, they will not oppose the condemnation.

Therefore, Supervisor Frey moved that the Board:

- Authorize condemnation proceedings for that portion of tax map parcel 54-4-((3))(16) Parcel U1 as determined necessary by staff for the completion of the improvements to Old Centreville Road.

- Direct staff, including but not limited to members of the County Attorney's Office and Department of Public Works and Environmental Services, to proceed with condemnation as expeditiously as possible.

Supervisor Hyland seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

47. **SMALL TAX DISTRICT 5 (SULLY DISTRICT)** (12:45 p.m.)

Supervisor Frey said that back in the early 1970s, the County formulated plans to construct community centers around the County over an extended period of time, on a schedule to be determined by availability of funding. The Reston Community Center was constructed as part of this initiative, using taxes raised from Small District 5, the boundaries for which extend beyond the limits of Reston and include some residents of the Sully District.

Because the center is named and promoted as the "Reston Community Center," historically residents of Sully District have had difficulty gaining access at the reduced rate that is afforded to members of Small District 5. At one time, the wall behind the reception desk in the lobby had a large map of District 5 so staff members could readily verify whether the address on IDs presented to them was included. At some point, that map was removed, and the center began to rely on a computer-generated listing provided by the County. However, according to constituents, the listing doesn't seem to include non-Reston addresses in District 5. Furthermore, residents who live outside the Reston zip codes are apparently not receiving notices of annual polls, and have not been included in revenue expenditure issues.

Therefore, Supervisor Frey asked unanimous consent that the Board refer this matter to the appropriate staff to determine the best way to resolve these issues, with the goal being to ensure that the services and opportunity to participate in decision-making are made available to all Small District 5 residents. Without objection, it was so ordered.

A brief discussion ensued about the boundary for Small District 5 and the preference poll.

48. **CHEVY CHASE BANK – SPECIAL EXCEPTION APPLICATION
SE 2004-SU-021 (SULLY DISTRICT)** (12:48 p.m.)

Supervisor Frey said that Chevy Chase Bank is pursuing a special exception to construct a bank with drive-through facilities on Lee Jackson Memorial Highway, immediately west of Walney Road. The application has the support of staff and the Planning Commission. The applicants are anxious to obtain all necessary

approvals as expeditiously as possible, and have asked that the Board authorize concurrent processing for the site plan concurrent with the Special Exception application.

The applicants understand that this motion does not relieve them of any obligation, ordinance, or standards, and will not prejudice the consideration of the application in any way.

Therefore, Supervisor Frey moved that the Board authorize concurrent processing of Special Exception Application SE 2004-SU-021 with its associated site plan. Supervisor Hyland seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

49. **FAIRFAX-FALLS CHURCH COMMUNITY SERVICES BOARD (CSB)**
(12:49 p.m.)

(BACs) Supervisor Hudgins said that she had received a letter with a series of recommendations from the CSB as follows:

- Facilitate planning and coordination between County agencies for a careful review of all available land assets that might be shared, sold, traded, or leveraged to create affordable housing and human services sites. Promote communication between the Park Authority, the School Board, the Fairfax County Redevelopment and Housing Authority (FCRHA), and the Board of Supervisors with specific goals of cross-agency planning and partnership development with the private sector to better serve community needs. The CSB, for example, plans to move several existing group homes to barrier-free homes, which must be newly constructed to meet Americans with Disability Act standards. Designated land could remain a public asset, but serve a very specific need.
- Support the recommendation from the Single Room Occupancy (SRO) Task Force to move recommended zoning changes to a Priority One status for ordinance review.
- Join affordable housing preservation efforts and revitalization planning for concurrent planning for new affordable housing development.
- Encourage the FCRHA to actively support SRO development with more designated funding and project based subsidy for some units. Encourage the FCRHA to purchase as many Affordable Dwelling Units as possible in new developments for affordable rental opportunities for people with mental or physical disabilities who are low income.

- Review recommendations from active non-profit developers for reducing obstacles in the development process (Wesley Housing recently summarized recommendations to the FCRHA).
- Discuss possibilities of Laurel Hill projects that might meet the criteria which allow institutional uses or affordable housing. One example may be an SRO housing project with FCRHA replicating its success at Coan Ponds, but with a project based subsidy for lower income residents.

Therefore, Supervisor Hudgins moved that the Board refer these recommendations for consideration before the appropriate committees. Supervisor Bulova seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

50. **SCHOOL-AGE CHILD CARE (SACC) PROGRAM AT SUNRISE VALLEY ELEMENTARY SCHOOL (HUNTER MILL DISTRICT)**
(12:53 p.m.)

Supervisor Hudgins said that she is supportive of the SACC program and noted that the County Executive included funding for one SACC room at Sunrise Valley Elementary School in the Fiscal Year (FY) 2005 Budget. Currently, the Department of Family Services has 129 SACC program sites throughout the County.

Therefore, Supervisor Hudgins asked unanimous consent that the Board include a Consideration Item in the FY 2006 Budget for the addition of a second classroom to the SACC program at Sunrise Valley. Without objection, it was so ordered.

51. **DULLES CORRIDOR RAPID TRANSIT PROJECTS (HUNTER MILL DISTRICT)** (12:54 p.m.)

Supervisor Hudgins said that the Dulles Corridor Rapid Transit Project is critical to the Dulles Corridor, Fairfax County, and the region. In ensuring the completion and success of this significant transportation project, the Board must remain vigilant in its attention to the matters that will support it through every stage of the process, which includes the ongoing use of toll road revenues.

Supervisor Hudgins noted that the 1990 Commonwealth Transportation Board resolution recognized the importance of the than future Dulles Corridor Rapid Transit Project by insuring that surplus funds from the tolls would be set aside for future implementation of rail.

Supervisor Hudgins referred to her written Board Matter and noted that the document from the Virginia Department of Transportation Fiscal Year (FY) 2005

Budget provides a Statement of Estimated Revenues and Expenditures for the Dulles Toll Road. The anticipated amount set aside for Transit and Highway Improvements is \$8,687,837. Additionally, the amount projected for the Fairfax County Note Repayment is \$1.1 million, which is provided as accrual to the repayment of the \$4,325,000 loan due December 1, 2008.

While the FY 2005 Budget information is helpful, Supervisor Hudgins moved that the Board request a response to the following:

- 1) Why the expenditures for FY 2005 Highway Improvements are not included as part of Operation and Maintenance Cost for the Toll Road.
- 2) What the balance of the Reserve Maintenance is and how it has been spent in previous years.
- 3) In an effort to understand the Toll revenue and expenditures over the past years, provide the Actual of Revenue and Expenditures for the Dulles Toll Road from FY 2001 through FY 2004.
 - a. What the yearly breakdown was for expenditures for Operation and Maintenance.
 - b. What the balance has been, if any, in the budgeted revenue from previous years. If there was any, was it carried forward.
 - c. What the yearly breakdown was for allocation of Transit Improvements.
 - d. What the yearly breakdown was for allocation Highway Improvements.
- 4) What the cost has been to operate the Dulles Toll Road in past years, currently, and projected over the next five years.
- 5) How the cost to operate the Dulles Toll Road compares to other toll facilities in the Commonwealth.
- 6) What the cumulative amount set aside is for the Fairfax County Note Repayment.

Supervisor Hudgins said that the Board has repeatedly urged that increased surplus toll road revenues be set aside to support transit in the Corridor and prepare for the implementation of rail.

Therefore, Supervisor Hudgins moved that the Board direct staff to prepare a letter to the Secretary of Transportation, first expressing the Board's appreciation for the 85 percent of surplus toll revenues for transit set-aside in FY 2005; and second request a response to the above questions in the continued effort of the County working with the Commonwealth Transportation Board to insure that through the efficient use of toll road revenues, substantial funds will be available for rail in the Dulles Corridor. Supervisor Kauffman seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

52. **2004 HUNTER MILL DISTRICT COAT CLOSET FOR ADULTS AND CHILDREN IN NEED** (12:59 p.m.)

Supervisor Hudgins announced that November 15, 2004, marks the beginning of the 2004 Hunter Mill District Coat Closet for adults and children in need. Co-sponsored by Reston Interfaith, this is the third annual Coat Closet.

The Coat Closet will be open Mondays, 10 a.m. - noon; Thursdays, 5 - 8 p.m.; and Saturdays, 9 - 11 a.m. for donations and for those looking for a coat. Donations of new and "gently used" (i.e. in good condition and dry cleaned) winter coats will be accepted at the North County Government Center at 12000 Bowman Towne Drive in Reston during Coat Closet hours. Both child and adult sizes are needed (X large and XX Large are especially appreciated). All donations are tax deductible.

The closet is in need of volunteers to assist clients in selecting coats, greet donors, and sort coat donations. Those interested in being part of the volunteer effort may contact Faye Yu at 703-481-8276 or FayeYu@restoninterfaith.org.

Supervisor Hudgins expressed her appreciation to Reston Interfaith for its support, the corps of volunteers, and all those who will contribute to making this year's Coat Closet a success.

Supervisor Hudgins noted that staff has already issued a release about the Coat Closet and expressed her appreciation for their short turnaround and dissemination that has already occurred.

53. **SUPPLEMENTAL PAY FOR MAGISTRATES** (1 p.m.)

Supervisor Hyland said that Virginia Code § 19.2-46.1 provides the opportunity for local jurisdictions to supplement the salaries of magistrates. Neighboring counties supplement the salaries of magistrates.

Therefore, Supervisor Hyland asked unanimous consent that the Board direct staff to evaluate the salaries of Magistrates in comparison to neighboring jurisdictions and its effect on the proposed 2006 budget. Without objection, it was so ordered.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to report with the following information:

- What the State responsibility is and what the local responsibility is.
- When the last time was that the State adjusted compensation for magistrates.
- What the powers and duties of magistrates are.

Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

Supervisor Hudgins asked unanimous consent that the Board direct staff to report with information regarding compensation for other State constitutional officers. Without objection, it was so ordered.

Supervisor Gross noted that the spreadsheet referenced in the written Board Matter was not attached.

54. **PROFFERED CONDITION AMENDMENT APPLICATION PCA 80-L-070
AND SPECIAL EXCEPTION APPLICATION SE 2004-MV-020
COMMONWEALTH CONSTRUCTION MANAGEMENT (MOUNT
VERNON DISTRICT)** (1:03 p.m.)

Supervisor Hyland referred to his written Board Matter regarding Commonwealth Construction Management and moved that the Board direct:

- The Director of the Department of Public Works and Environmental Services to process the site plan and other associated plans concurrently with Proffered Condition Amendment Application PCA 80-L-070 and Special Exception Application SE 2004-MV-020.
- Staff to schedule a public hearing to be held before the Board on December 6, 2004, for Special Exception Amendment Application SEA 01-H-027 (sic).

Approval of this motion shall not prejudice the review of this application. Supervisor Kauffman seconded the motion and it carried by a vote of nine, Supervisor Smyth being out of the room.

55. **FEE WAIVER FOR COLD WAR MUSEUM AND DISCUSSION OF MUSEUMS (MOUNT VERNON AND SULLY DISTRICTS)** (1:03 p.m.)

Supervisor Hyland referred to his written Board Matter regarding the Cold War Museum and moved that the Board waive the requirement for the payment of review fees set forth in Section IV (C) of the procedures adopted by the Board on February 24, 2003, regarding proposals made pursuant to the Public-Private Educational Facilities and Infrastructure Act of 2002 for a proposal submitted by the Cold War Museum. Supervisor Kauffman seconded the motion and it carried by unanimous vote.

A brief discussion ensued, with input from Anthony H. Griffin, County Executive, regarding the Smithsonian Institution's National Air and Space Museum.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct staff to review the issue of providing information at the Steven F. Udvar-Hazy Center about Fairfax County and add the issue to the agenda of the Loudoun/Fairfax County joint meeting. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

A brief discussion ensued, with input from Mr. Griffin, regarding the availability of appropriate materials.

56. **MASON NECK OVERLAY (MOUNT VERNON DISTRICT)** (1:08 p.m.)

Supervisor Hyland said that during the October 2004 quarterly meeting, the members of the Mason Neck Citizens Association expressed concern at the increase in and type of development which is occurring on Mason Neck. They voted in support of the Mason Neck Overlay District Task Force Report (completed a number of years ago) which recommended establishing historic overlay districts in parts of Mason Neck. At the same time, they recommended moving it forward for enactment by the Board. Its recommendations, including low impact development, are important. The Mason Neck Citizens Association urges the Board to implement the recommendations of that task force.

Therefore, Supervisor Hyland asked unanimous consent that the Board direct staff to review the provisions and recommendations of the Mason Neck Overlay District Task Force Report and report with recommendations. Without objection, it was so ordered.

57. **MENTAL ILLNESS** (1:09 p.m.)

Supervisor McConnell said that she has long been concerned about many aspects related to the treatment of mental illness. For many years, the Virginia Code has contained provisions whereby a judge may order a person into involuntary treatment as an outpatient and, at the same time, order that person to take anti-psychotic medication. If the person should fail to adhere to the terms of the outpatient treatment plan, which could include the taking of anti-psychotic medication, the judge may follow a procedure to revoke the outpatient status and order the person to be involuntarily committed to a hospital.

Supervisor McConnell said that Section 37.1-67.3, paragraph J, of the Virginia Code specifies that before a judge may order a person into involuntary outpatient treatment, the judge must make several specific findings, including that the ordered treatment can, in fact, be delivered on an outpatient basis and that that treatment can be monitored by the local Community Services Board (CSB) or designated service provider. Under this same code provision, the local CSB has certain responsibilities. The CSB must prepare and recommend to the court a specific course of treatment as well as programs that will provide the treatment. The CSB must also monitor the person's compliance with all court-ordered treatment.

Therefore, Supervisor McConnell moved that the Board direct the County Executive to:

- Report with information regarding the extent to which, since 1996, the CSB has participated in cases where the court has ordered outpatient involuntary treatment under Section 37.1-67.3 of the Virginia Code, including those cases where the court has ordered the person to take anti-psychotic medication.
- Advise the Board as to the relative success of court-ordered outpatient involuntary treatment where the CSB has recommended and monitored the treatment plan. If this type of outpatient treatment has not been utilized either successfully or as often as it could be utilized, the report should identify those things that would be necessary in order to make it a successful program in the County.

Supervisor Bulova seconded the motion and it carried by unanimous vote.

58. **EAST MARKET AT FAIR LAKES GOVERNMENT CENTER LAND BAY A – PETERSON COMPANIES (SPRINGFIELD DISTRICT)** (1:13 p.m.)

Supervisor McConnell stated that the Peterson Companies has submitted applications for an addition to East Market at Fair Lakes, a project on Government Center Land Bay A for residential and retail anchored by a Whole Foods store. The applicant has filed Final Development Plan Amendment Application FDP A 82-P-069-14-4 for a 10,880 foot retail building on the west side of Kohl's in Fair Lakes and Final Development Plan Amendment Application FDP A 82 P-069-6-7, an application to allow the construction of a portion of the Whole Foods store, whose footprint lies partially within Fair Lakes as well as Land Bay A. The applicant has requested concurrent processing of the site plans with the associated final development plan amendment applications. The reason for the concurrent processing is to expedite the construction of the Whole Foods building and so that the proposed retail shops in the west addition can be built at the same time as the shops on Land Bay A.

Therefore, Supervisor McConnell moved that the Board approve concurrent processing of these site plans with the associated final development plan amendment applications. This motion does not relieve the applicant from complying with all regulations, ordinances, or adopted standards, and does not prejudice the consideration of these applications in any way. Supervisor Bulova seconded the motion and it carried by unanimous vote.

59. **RECESS/CLOSED SESSION** (1:15 p.m.)
